

Update in the Library Expansion Fund

Description

January 2, 2026

Antioch has been raising funds to remodel one of its classrooms and expand its library. We are raising funds to build 18 wooden bookshelves. Each wooden bookcase will cost about \$125.00 to buy the wood, build, paint, and install. In 2025, Antioch received \$1000.00 in donations for this project. That gives us 44% of our goal or 8 of the 18 bookshelves needed.
